

Chubb BOP for the Technology Industry

CHUBB®

Chubb's long history of providing insurance solutions designed to meet the unique risks faced by technology businesses has expanded with Chubb's business owner's policy (Chubb BOP) for the technology industry. With broad insurance protection for property and liability exposures, Chubb BOP for the technology industry serves as the foundation for your clients' insurance portfolio.

Appetite

Chubb BOP for the technology industry helps protect small business owners with up to \$30M in revenue across the following classes:

- Computer programming and software development
- Computer related services
- Consulting and software services
- Telecommunications services
- Advanced technology manufacturers and wholesalers
- Clean technology manufacturers
- Technology research and development companies

Coverage

Chubb BOP for the technology industry includes property and liability features and benefits beyond industry standard policies. It also provides a unique automatic blanket limit of insurance that ties together valuable property coverages, allowing business owners to use their insurance dollars where they need it the most following a loss. Chubb BOP for the technology industry also includes the following for small technology companies:

- Automatic blanket limit that includes electronic data as well as research and development property
- Business personal property that includes computer hardware
- Tailored property insurance for mobile communications, electronic data recovery costs (i.e. computer viruses), installation, and personal property off-premises (including transit) and utility services direct damage
- Crime insurance for computer fraud and funds transfer, identity theft expense, money and securities, and employee dishonesty

- Business income insurance that includes actual loss sustained wording, business income from dependent property worldwide, alternative power generation, business income extension for websites, and utility services
- Valuation that includes green standards, removal of insurance to value provision, replacement costs, and selling price on finished stock

Total Account Solution

Building a portfolio with Chubb means broad, state-of-the-art insurance protection all in one place. Add supporting insurance products to a Chubb BOP policy for the complete insurance solution your clients want.

Umbrella: Umbrella insurance from Chubb provides an additional layer of coverage over existing liability policies, offering small businesses even more insurance protection.

Workers' Compensation: Chubb's workers' compensation policy provides small businesses an insurance solution with broad coverage and Chubb's exceptional policy and claims service.

Commercial Auto: Chubb's commercial auto policy includes personal injury protection, uninsured and underinsured motorist coverage limits up to \$1M as well as endorsements that include additional coverages.

Management & Professional Liability: Chubb's ForeFront Portfolio suite provides additional management and professional liability insurance including employment practices, crime, fiduciary liability, and Directors & Officers liability.

DigiTech® Enterprise Risk Management (ERM) - Technology E&O and Cyber Protection: Using a three-prong approach, DigiTech ERM incorporates risk transfer, loss mitigation services, and post-incident services to help protect against your client's technology E&O and cyber risks.

Foreign Package: As your client's business spans national borders, their coverage must expand too. Chubb SCI's foreign package policy is a multiline coverage that protects more than inventory and intel, it protects your client's greatest asset, its people.

Why Chubb?

Chubb SCI leverages superior underwriting expertise with world renowned claims, account services, and financial strength. Your clients work hard to grow their business so they need an insurance company that can grow with them. Chubb's longstanding tradition of excellence makes us an easy, and wise, choice.
